### PROFIT GUIDANCE FOR THE GROUP'S UNAUDITED HALF YEAR FINANCIAL RESULTS FOR THE SIX MONTH PERIOD ENDED 31 DECEMBER 2021

---

The Board of Directors (the “**Board**”) of CFM Holdings Limited (the “**Company**”, and together with its subsidiaries, collectively the “**Group**”) wishes to issue a profit guidance for the Group’s financial results for six month financial year ended 31 December 2021 (“**HY2022**”).

Based on the preliminary figures, the Group expects to record a profit after tax for HY2022 as compared to the net loss after tax for HY2021. The improvement in financial performance in terms of profit after tax for HY2022 was mainly due to higher revenue by the metal stamping segment due to ramp up of customer’s orders, increase in unit price to customers due to global material price increase and a slightly higher revenue from the cleanroom segment, whilst lower revenue was generated by the toolings, warehousing and logistics segments.

Despite incurring higher operational costs and tax, the company is expected to record a profit after tax for HY2022 as compared to a net loss after tax for HY2021.

Further details of the Group’s performance will be disclosed when the Company announces its unaudited financial results for HY2022 on or before 14 February 2022.

**In the meantime, shareholders and investors are advised to exercise caution when dealing in the Company's shares ("Shares"). When in doubt, shareholders and potential investors are advised to seek independent advice from their professional advisors before trading or making any investment decision on the Company's securities.**
