### PROFIT GUIDANCE FOR THE GROUP'S UNAUDITED FULL YEAR FINANCIAL RESULTS FOR THE FINANCIAL YEAR ENDED 30 JUNE 2021

---

The Board of Directors (the "Board") of CFM Holdings Limited (the "Company", and together with its subsidiaries, collectively the "Group") wishes to issue a profit guidance for the full financial year ended 30 June 2021 ("FY2021").

Based on the preliminary figures, the Group expects to record a profit after tax for FY2021 as compared to the net loss after tax for FY2020. The improvement in financial performance in terms of profit after tax for FY2021 was mainly due to higher revenue from the metal stamping and tooling segments, coupled with decreases in marketing and administrative expenses, finance cost and tax expense.

Further details of the Group's performance will be disclosed when the Company announces its unaudited financial results for FY2021 on or before 29 August 2021.

**In the meantime, shareholders and investors are advised to exercise caution when dealing in the Company's shares ("Shares"). When in doubt, shareholders and potential investors are advised to seek independent advice from their professional advisors before trading or making any investment decision on the Company's securities.**
